

July 2016

INPUD in Durban for AIDS 2016

Events which INPUD's Board, staff, and members are taking part in include...

Monday July 18, 12:45 to 13:45

Women's Networking Zone – Global Village

Women who use drugs – taking a place in the HIV movement

Women who use drugs are often not heard in PLWHIV or positive women's groups. ICW and INWUD have developed a joint position statement to promote the need to include the voice of women who inject drugs in the HIV movement. Key points from the position statement will be raised and discussed.

Tuesday 19 July, 14:00 to 15:00

People who use drugs and harm reduction networking zone - Global Village.

Drug Users on the Front Line

Presentation by John Kimani from KENPUD looking at people who use drugs in Kenya

Tuesday 19 July, 16.30 – 17.15

Global Fund Networking Zone – Global Village

One Day in Our Lives on Earth: Impacts of the War on Drugs (Edited Version for AIDS 2016).

This film by Rights Report Foundation and INPUD highlights how the lives of people who use drugs are affected by the global war on drugs, showing individual stories through the course of one day on earth. The cities include Crimea, Budapest, Berlin, Jakarta, Mexico City, and Washington.

Wednesday 20 July, 9:00 to 10:00

People who use drugs and harm reduction networking zone - Global Village

Our Lives, Our Advocacy: We are the International Network of People who use Drugs

Presenters from INPUD, ANPUD and AIVL– will be discussing members' perspective on UNGASS 2016 and an overview of INPUD advocacy publications. Our communities are directly impacted by the war on drugs. Join us to find out how we fight back against criminalisation, stigmatisation and discrimination of people who use drugs.

Wednesday 14:30 to 17:00

Session Room 9 – Main Conference area

Addressing the needs of Women who Inject Drugs.

Facilitators from INPUD and INWUD, WHRIN, EHRN and UNODC will interact with participants to draw out collective experience on types of services needed by women who use drugs, barriers to implementations, networking and advocacy opportunities. Workshop.

Wednesday 15:00 to 17:00
