ENGAGING WITH THE COMMITTEE ON THE ELIMINATION OF DISCRIMINATION AGAINST WOMEN (CEDAW): GUIDANCE FOR WOMEN WHO USE DRUGS

CEDAW is a key human rights mechanism established to monitor and defend the human rights of women in all their diversity. On International Drug Users Remembrance Day, join INPUD alongside Asteria Kyrgyzstan, IWRAW Asia Pacific, Eurasian Women's Network on AIDS and UN human rights defenders for a discussion on how CEDAW can be utilised by drug user advocates to address human rights violations in our communities and amplify the specific impacts of drug policy on women and gender-diverse people who use drugs.
